Pam Lauritzen & Company presents an

ADVANCED ANIMAL BEHAVIOR AND MANAGEMENT WORKSHOP

Not just another seminar,
this is an advanced study, certificate
program in Animal Behavior &
Management, theory, techniques
& methods designed for pet care
professionals

January 16-17, 2012
Garland, TX (a suburb of Dallas)

Animal Behavior & Management

A comprehensive
16 hour Animal
Behavior and
Management workshop
designed to increase your
awareness of canine behavior
and handling techniques.

Included is:

Understanding animal
behavior, conditioning
techniques used to facilitate
“table training and good dog
behavior”, “how to talk to the
animals”, “rehabilitating problem dogs”,
“fear biting”, “phobic behaviors”, client consultations,
outstanding case studies group sessionsand so much more!

This an ISCC approved program for Tests
106 & 107: Animal Behavior

Learn how to manage dogs that:

*Learn how to understand,
manage and rehabilitate
Problem Behavior in this
comprehensive, Advanced
Study, Certificate Program in
Animal Behavior
and Management.*

**Open to All Pet Care
Professionals**

- Jerk their feet and/or bite when you try to handle or clip them
- Scream when you gently handle and/or clean their ears
- Shake uncontrollably when placed on a styling table
- Go from Dr. Jekyll to “Mr. Hyde” when placed in a cage
- Are Psychotic
- Hug the styling table and won't let go
- Are unpredictable and/or aggressive
- Bark incessantly
- Are hyperactive or hyperkinetic

A special *“Certificate of Achievement”* will be presented to individuals successfully completing this program.
